*****MULTIPLE OFFERS HIGHEST AND BEST DUE 3/28 6PM***** Stunning newer-built ranch set on over 10 private acres, offering the perfect blend of comfort, quality, and space. Built in 2019, this 3-bedroom, 2.5 bath home features an open-concept layout with a spacious living room highlighted by a gas fireplace and expansive windows that bring in natural light and scenic views. The kitchen is beautifully appointed with quartz countertops, custom cabinetry, and under-cabinet lighting, flowing seamlessly into the dining area and living space-ideal for everyday living and entertaining. Just off the main living area, enjoy a 24x12 covered deck overlooking the private backyard, wooded setting, and heated in-ground pool. The primary suite offers a true retreat with a spacious layout and a private bath featuring dual sinks and a relaxing air bubble tub-perfect for unwinding at the end of the day. Additional bedrooms provide flexibility for guests, office space, or hobbies. The unfinished walkout basement is filled with natural light thanks to numerous windows and is already plumbed for a future bathroom-offering incredible potential for added living space. Both the basement and attached 2-car garage feature heated floors for year-round comfort. Outside, the property continues to impress
